Satori 2023 Grand Prize Winners List

Strings Group

The grand prize winner in each category was independently selected by three judges. If there was disagreement among all three judges, a separate review panel casted their votes on the judges' selections. Whoever received the most votes became the final winner.

Because judges were not required to provide remarks, they only left remarks for selected few. Therefore, only Judge's remarks of the grand prize winner will be posted.

Special Award: Because of the high *competition level in string groups, other than the Judges' Distinction Award, several additional awards have been handed out to highlight different aspects of our contestant's performances.*
