- Category III: Age groups 14-16 1:00 pm – 2:30 pm
- Category IV: Age groups 16-19 2:45 pm – 4:30 pm

## Event Location

We will once again be hosting the event at **Azusa Pacific University**. You can find the map, building layout, and parking information in the Additional Information section.

## Competition Information

### Competition group

The contestants will be evaluated by the competition group. The competition group is collection of contestants who register in the same category and the same age group. For example, Violin Entry Qualified American age 10 (VN/EA10) could be one competition group.

If there are too many contestants in the same category and the same age group, we may create multiple competition groups instead of one. Each of those competition groups will be evaluated independently. Note: when creating the sub group for the age group, the selection is random.

### Schedule

The competition schedule is arranged by **time-slot**. Each time-slot will be around one hour. All contestants in the same time-slot will enter the competition room together. One time slot may contain multiple competition groups. (Note: each competition group will be evaluated individually).

The **competition room** will be assigned with the schedule. You can refer the building layout, which is attached in the Additional Information Section, to locate the competition room.

The schedule will be posted once it is available. It should be two weeks after registration is closed.

For strings, the schedule can be found at <http://event.satoricm.net/satori-strings-contest/strings-contest-schedule/>

For piano, the schedule can be found at <http://event.satoricm.net/satori-young-pianist-contest/young-pianist-contest-schedule/>

### Evaluation Process

- Contestant will be evaluated by the competition group. In all qualified categories, contestants will not compete against each other, rather than be evaluated by their own performance. So multiply first place winner could be awarded by the Judge in the all qualified categories. But in Open and Prodigy category, the competition will not only be evaluate by their performance, but also compete among each other. It usually will be only one first place winner or even absent if Judge is not satisfied with any performance in the group.
- Each performance will be evaluated by two judges.
- Evaluation rubric categories:
  - Presentation
  - Technique
  - Musicality
  - Overall combination
- Judges will write down their opinions or suggestions on their respective comment sheets and reward contestant with 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> or 4<sup>th</sup> place.

- For Open and Prodigy category, the winner of each competition group will qualify for the Grand Prize Contest. See grand prize contest for the detail.

### **Result, commenting sheet and Trophy**

After each time-slot is done, Judge will make decision of placement and deliver the result to event administrator for recording and error check. Then the chef judge will do a final review and sign off. Under the normal circumstances, the result should be displayed on our posting board one hour after the time-slot.

All contestants will receive two copy of commenting sheet and a trophy. It will be handed out after the results posted. Contestants will come to the trophy desk to pick it up. If for some reason, you can't wait for result and wish for a drop ship, please go to trophy desk and leave your shipping information with us. Please beware, there will be shipping and handling charge for that.

Please following the instruction of staff on site, and also make sure to check name plate. If there is any error, please communicate with our staff on site. We will make appropriate corrections.

## Requirement during the competition:

Each competition room will have two Judges, one room monitor and one coordinator. Please follow their instruction. Fail to act in accordance with their requirement, you may be disqualified or asked to leave the competition room.
