Satori 2020 Grand Prize Winners List

Strings Group

The grand prize winner in each category was independently selected by three judges. If there was disagreement among all three judges, a separate review panel casted their votes on the judges' selections. Whoever received the most votes became the final winner.

Because judges were not required to provide remarks, they only left remarks for selected few. Therefore, only Judge's remarks of the grand prize winner will be posted.

Audience Award is awarded by using Youtube calculation. The data collection time is September 27th 11:59 pm.

Special Award: Because of the high competition level in string groups, other than the Judges' Distinction Award, several additional awards have been handed out to highlight different aspects of our contestant's performances.

For all Grand and Special Award, please contact Edmund Wu at amacviolins@msn.com to arrange the trophy pickup or shipment.

Achievement in Excellence Award

No.128 DAVID HUNG — Violin Concerto by Tchaikovsky Violin Concerto No.1 1st & 2nd Mvt

Judge's Remark:

The first movement is tough with all kinds of demanding techniques on the violin. However, I think you handled very well and with confidence in your playing. Perhaps to think more of the direction of the phrases with running and passing notes.

In comparison, the second movement seems to be less interesting musically and can use more imagination and more poetic approach to it.
